

FACTS...

Old HRC,
Wigans Lane,
HP14 4BH reopening:
CIC proposal

DON'T BE FOOLED:

**DONT BE FOOLED INTO THINKING
THAT THIS IS REINSTATING
A ONCE-PRIZED LOCAL SERVICE.**

FACT-FACT-FACT

The planning agent for the **CIC** has corresponded with the Planning officer at BCC to discuss a:

SECOND PLANNING APPLICATION

- **to increase** the tonnage taken from the site from **5,000 to 25,000** tons per annum.
- **to change** the types of waste taken to include trade waste
 - **to increase** the HGV entering/using the site

FACT-FACT-FACT

The **CIC**, a community interest company, has been asked and **declined to reply about:**

- the “second application”
- Its choice of operator

A CIC has a responsibility to consult with the public

FACT - FACT - FACT - FACT - FACT

The preferred operator of the site, selected by the **CIC** is likely to be:

WIGANS LANE HOUSEHOLD RECYCLING CENTRE LTD.

(NO.11688809, Co. incorporated 21/11/2018,
COMPANIES HOUSE data).

It has

NO WASTE MANAGEMENT HISTORY OR EXPERIENCE

and neither do its **2** directors and shareholders,

These same directors in the proposed WLHRC Ltd were involved in a company, (Charterhouse Energy Ltd, No.05592926) that was **dissolved** with liquidators appointed to investigate.

The liquidators reported that:

- the RSA insurance company alleged that it may have been subjected to a **fraud** involving the payment of invoices to Charterhouse when no services were rendered.
- a £400k payment to its shareholders ... was **unlawful** and directors and shareholders were pursued to recover funds for **creditors**
- the company's books and records suggest that the Company invested sums in excess of £1million in SEL, incorporated in Nigeria on 9 May 2008.
- The unsecured creditors claims were estimated at **£3.5m**

FACT - FACT - FACT - FACT - FACT

The **CIC** received **£20,000 grant** from **WDC** in March at the start of the Covid PPE shortage to fund the "permissions" to open the site, that will enable the operator to operate.
