

NO TO A COMMERCIAL DUMP ON WIGANS LANE

YOU DO THE MATHS:

5000 TONS A YEAR **TO** 25000 TONS A YEAR

5 TIMES 5 =25
5 TIMES THE CARS
5 TIMES THE LORRIES
2017 VISITS 93,000 CARS A YEAR
NEXT YEAR = ?

THIS IS PROMOTED BY a Community Interest Company ("CIC") created and controlled by 2 councillors-shareholders and Directors, Bill Bendyshe Brown and Carl Etholen. The other directors are all councillors and ex councillors. They are looking out for the community. **Really?**

Is 5 times the cars and lorries good for the community?

YOUR MONEY

The Proposal got **£20,000** of "Your Money", from Wycombe District Council **BEFORE** even receiving planning consent (See decision overleaf).

At the time, a pandemic had just been declared and we were clapping for the NHS!

Local parish councils seem to be **enthusiastic**: Thame contributed **£500**, Princes Risborough **£1000**.....

12 Town and Parish Councils with 2 more to be confirmed (august 2020).

FROM THE BLEDLOW cum SAUNDERTON PARISH COUNCIL MINUTES (August 2019):
"Cllr XXX added that we are **the only Council that this has a negative impact on** so when the planning permission is presented to us we need to be **considerate about how we RESPOND**".

**THE PARISH COUNCIL VOTED TO SUPPORT THE SCHEME WITH £500 OF YOUR MONEY.
THEY ALSO VOTED FOR THE SCHEME. HELLO 5X5.**

WHAT ARE WE TO BELIEVE ?

Extract from minutes of a meeting of the South West Chilterns Local Area Forum
12 Feb 2019

Mr Etholen stated that the Bledlow site would handle **commercial waste** as well as household waste but there may be some opposition to the heavy goods vehicle traffic."

TO THE PLANNING DEPARTMENT:
from CIC's planning agent (Wolstenholme)

RE: Bledlow HRC application no. CM /0002/20

....the site is allowed to operate household, industrial and commercial waste up to **25,000 tonnes** per annum.

....as the new operator intends to make a charge for all inputs, then

...Is this all something that can easily be changed on this application, or would this need to be included **on the second application?**

From BcSPC Minutes August 2019:

Re: TRAFFIC

Cllr Bendyshe-Brown responded that

“when the application is made, a Public Consultation Vehicle Survey will be undertaken.”

The Planning officer in charge of CM/0002/20 was advised by a member of the public of this assurance and checked with the CIC's planning agent (Wolstenholme) who, in turn, checked with Cllr Bendyshe-Brown: did you say that ?

Thank you

... I do not receive BcSPC Minutes and so have not seen this before. I certainly did not say this. What I said was that when the application had been submitted members of the PC and public would be able to comment on the application including any concerns they may have on traffic movements. **There was never any commitment on my behalf to conduct a traffic survey.**

Yours sincerely ,

Cllr Bendyshe-Brown
